Pitch-in Week April 22 to 28

Date and Time: Monday, April 22 12:00 am

Address: 1024 Hurlwood Lane

Event details

Pitch-in is the largest environmental improvement campaign in Canada. It is a partnership between municipalities, the media, industry and the public. In total, over a million Canadians participate in the program annually cleaning up over five million pounds of litter. Take part in Pitch-in Week from April 22 to 28 by registering a clean-up in your neighbourhood. Thank you for giving back and helping keep our community clean!

[Pitch-in Week Registration Form](#)

Get involved

- complete the [Pitch-in Week Registration form](#) to register your family, organization, or group
- pick up your supplies (blue waste bags and gloves) at our Administration Office located at [1024 Hurlwood Lane, Severn](#) Monday to Friday between 8:30 a.m. to 4:30 p.m.
- ensure all bags are safely placed away from the side of the road and ready for pick up on **Monday, April 29**

Please note we will only pick up **blue waste bags** as supplied by the Township.

Safety tips

While undertaking your cleanup always be mindful of sharp and heavy objects.

Before you begin

- assess the area and look out for hazards and possible dangers
- be prepared and bring proper safety equipment and tools
- be sure to have enough supervisors in your group
- register to participate

During your cleanup

- supervise participants closely and don't let children go off alone
- don't pick up dangerous items
- watch for cars and be careful near roads
- wear gloves or use a litter picker
- wash or sanitize your hands regularly

Sustainable Spokes: Healthy Folks Kick-off Event

Date and Time: Friday, April 26 7:00 pm - 9:00 pm

Address: Orillia Recreation Centre, Multi-purpose Room B, 255 West Street, Orillia

Sustainable Spokes Kick-off Event

Sustainable Orillia, with support from the Simcoe Muskoka District Health Unit, is pleased to present its 2024 Bike Challenge: Sustainable Spokes - Healthy Folks. The Kick-Off event is planned for April 26th at 7:00 pm (ending 8:30 pm) at the Orillia Recreation Centre, Multi-Purpose Room B. This link provides those interested the opportunity to register for both the kick-off event and/or the Bike Challenge: <https://www.eventbrite.com/e/sustainable-spokes-healthy-folks-tickets-873405207487?aff=oddtcreator>. There is no cost to attend the event or to participate in the challenge. Please see the Eventbrite registration link for more details about how the Challenge works. Registration is now public and live so anyone can register anytime starting now.

This is an open challenge to the public that will begin **May 11th and end June 8th** (measured as a four week period not a calendar month) to celebrate Bike to Work Day in Canada and other bike challenges that occur around the world in the months of April and May. Instead of driving a car, ride your bicycle to work or school for the next 4 weeks ending Friday, June 8th, 2024. In this challenge **EVERY TRIP COUNTS** - even trips to the grocery store, going for a pleasure ride, or recreational biking on trails etc. - they all count!

At the April 26th Kick-Off Event there will be presentations to provide information about the Health Benefits of Cycling, the Simcoe County 160 km Loop Trail, and Local trails in our surrounding Municipalities, as well as free handouts including maps and cycling guides.

The Challenge

The challenge is not a race but a **personal challenge** for participants to do their best to **ride instead of driving/being driven in a car** to work or school. E-Bike users are welcome but will be asked not to use above the first level of assist (based upon the honour system). Routes will be left up to the discretion of participants and will not be supervised by Sustainable Orillia; participants will be required to sign a waiver. The kilometers and number of trips made by participants will be recorded using STRAVA. Non Strava users will be required to keep a record of their distances and trips on provided record forms. At the end of the challenge the "winners" will be declared and **prizes awarded** based on their Strava/record form data. **The challenge is not limited to Orillia residents and will be open to anyone in Simcoe County.**

There will be **two age categories** for the challenge: children (14 years old and under) and adult. The event will be promoted at the sch

ools; any student from any school in Simcoe County is welcome to participate with parental/legal guardian consent and a signed waiver. Any participants under the age of 18 years old will require permission from a parent/legal guardian. **Prizes will be awarded as per below:**

Individual:

- the 3 highest total KM. will be awarded first, second, and third place
- the 3 highest total number of cycling trips will be awarded first, second, and third place

Team

Participants are allowed to compete as a member of a team of three:

- the 3 highest team total KM. will be awarded first, second, and third place
- the 3 highest team total number of cycling trips will be awarded first, second, and third place

Community

To make the challenge even more fun the final cumulative distance will be added up to see if participants have collectively met the goal of traveling across Canada, a distance of 7560 KM. If this distance challenge is obtained Sustainable Orillia, or other sponsor, will donate to a local social justice charity.
