Date and Time: Sunday, May 7 12:30 pm - 5:00 pm

Address: Tudhope Park, 450 Atherly Road, Orillia

When dedicated people get behind a cause, great things can happen.

That's why we need you!

Please join my team Age Friendly Orillia and area, create a team of your own, or participate by making an online donation. It's easy and all funds go securely to Mariposa House Hospice here in Severn Township. Together with a few good people like you, we can make great things happen for the cause we believe in.

About Mariposa House Hospice

Mariposa House Hospice is a registered charity giving services to our residents and their families at no cost. Our clinical services are partially funded by the Ministry of Health, which covers approximately 40% of our annual operating expenses. Through our fundraising efforts and generous donations from individuals, businesses and organizations, we raise more than \$800,000 per year to sustain our operations. Your support and involvement is greatly appreciated!

Compost and mulch available for purchase at County of Simcoe waste facilities

Date and Time: Monday, May 8 9:00 am

Address: County of Simcoe Waste Facilities

Popular compost and mulch sale returns for 2023

Between May 8 and May 27 the County of Simcoe is once again offering its popular compost sale at all County waste facilities.

While quantities last, for \$5 per carload, or \$20 per truck or trailer load, Severn residents can purchase compost produced in-house using leaf and yard waste material generated throughout the County of Simcoe.

Compost is a soil amendment used in gardens to add nutrients, or as a top dressing for lawns to help retain moisture. Compost sales are self-service, and residents should bring their own shovels to load bins, truck beds, or trailers.

Mulch is also available at County waste facilities. Mulch can be applied to soil surfaces, around trees, paths, flo

wer beds, slopes and erosion prone areas, and as top dressing for flower and vegetable gardens. Mulch retains moisture, regulates soil temperatures, and will help to suppress weed growth.

Provincial Day of Action on Litter

Date and Time: Tuesday, May 9 12:00 am - 12:00 pm

Address: Severn, ON

The Ministry of Environment, Conservation, and Parks (MECP) invites you to save the date to celebrate the fourth annual Provincial Day of Action on Litter, taking place on Tuesday, May 9, 2023!

Ontario's annual Day of Action on Litter encourages individuals, students, municipalities and businesses across the province to work together to raise awareness about the impacts of litter and waste and take part in a litter cleanup.

You are encouraged to organize or participate in a cleanup on Tuesday, May 9 or on the weekends surrounding the Day of Action on Litter.

Participate and share your efforts on social media using the #actONlitter, and visit the [MECP](#) for more information.

MECP knows there is still more to do to reduce waste and litter and keep our land and water clean and healthy, and that Ontarians will do their part to make this happen.

If you have any questions, please reach out to actONlitter@ontario.ca.

Compost and mulch available for purchase at County of Simcoe waste facilities

Date and Time: Friday, May 26 9:00 am

Address: County of Simcoe Waste Facilities

Popular compost and mulch sale returns for 2023

Between May 8 and May 27 the County of Simcoe is once again offering its popular compost sale at all County [waste facilities](#).

While quantities last, for \$5 per carload, or \$20 per truck or trailer load, Severn residents can purchase compost produced in-house using leaf and yard waste material generated throughout the County of Simcoe.

Compost is a soil amendment used in gardens to add nutrients, or as a top dressing for lawns to help retain moisture. Compost sales are self-service, and residents should bring their own shovels to load bins, truck beds, or trailers.

Mulch is also available at County [waste facilities](#). Mulch can be applied to soil surfaces, around trees, paths, flower beds, slopes and erosion prone areas, and as top dressing for flower and vegetable gardens. Mulch retains moisture, regulates soil temperatures, and will help to suppress weed growth.
